MINISTRY RESOURCES

September 23, 2026

For Participants in LEA's Administration Network

Simple strategies can be highly effective in helping teachers manage the demands of their jobs and succeed. Read [7 Ways School Leaders Can Empower Teachers](#) for more information. (Shawna Kay Williams-Pinnock in *Edutopia*)

Great teaching can't be micromanaged. [Differentiated Instructional Leadership: Developing Teacher Practice Through Autonomy](#) explains how to improve practice by developing teacher autonomy. (Justin Baeder in *The Principal Center*)

Do you have a teacher struggling with behavior management? Recommend that he/she reads Behavior Management Made Easy by Mara Springer. This [LEArning Curve](#) blog post has practical suggestions to help those who are struggling with being effective.

Don't miss these weekly LEA resources...
