For Participants in LEA's Administration Network

Every school day, millions of American students, parents, and teachers walk into classrooms carrying worries, hopes, and the quiet need for God's presence. [60 Powerful Prayers for School](#) provides many short prayers including ones for protection, wisdom, teacher blessings, and morning focus — all in one place. (David Sterling in *Prayers Hands*)

The requirements of teaching and school administration have become increasingly stressful. Curriculum changes with the wind, and everyone must field extra responsibilities. Many students are demonstrating behavioral challenges and apathy, and parents often argue with school staff more than they support them. No wonder some workers don't look forward to the start of the year. Need to restore a positive mentality? Check out [The Teacher Mentality: Five Essential Mindsets](#). (Timothy Allen in *Middle Web*)

Looking for a blog to read that is designed for Christian school administrators? Try the one at [Center for the Advancement of Christian Education](#).
