

EARLY CHILDHOOD

MINISTRY RESOURCES

October 7, 2026

For Participants in LEA's Early Childhood Network

Over the past four years, we have held our membership rates steady while growing our services and content. To maintain this high standard of quality, we will implement our first rate adjustment in four years, on November 1st, 2026, bringing the one-year membership to \$149 (with other tiers adjusted dynamically).

Secure Your Lower Rate Now:

You don't have to wait for your expiration date. You can extend your membership right now to beat the increase and protect your budget.

- By Phone: Contact the LEA office at 708-209-3343 to speak with a representative.
- Online: Click [HERE](#) to extend your membership instantly.

Group Savings Opportunity:

If your school is looking to save, remember that LEA provides a 10% discount when a full faculty renews together. Grab the team renewal form [HERE](#).

We are incredibly grateful for your partnership and look forward to serving you for many more years!

Every kid is an expert experimenter, and nothing makes you feel like a fun teacher more than breaking out some magical tricks and elixirs. [25 Preschool Science Experiments: Simple Science for Toddlers through Kindergarten Kids](#) has easy preschool science experiments for all the STEM and STEAM your toddler, preschooler, or kindergarten kids can handle. (Liz Baill in *Mommy Poppins*)

When young children learn early math skills, it isn't about equations and flashcards—it's all about having fun while helping your little one's brain grow. Take some time to browse these preschool math activities and use them in your classroom. [Math4Littles: Early Math Activities for Two- and Three-Year-Olds \(Zero to Three\)](#)

This week, LEA is highlighting the book:

You Can Sit With Me

Written by Rachel Tawil Kenyon

Illustrated by Tatiana Kamshilina

2025

A little girl takes on a mission to be a friend to someone new, especially when they are worried, wearing different types of clothes, emotional, left out, slow, or confused. This rhyming story shares a wonderful message of helping others through simple acts of Christian friendship.

Develop your God-given talents and advance your career through classes at Concordia University

Nebraska. LEA is a preferred partner with CUNE, so members are eligible for reduced tuition rates. Find more information [HERE](#).
