For Participants in LEA's Administration Network

Over the past four years, we have held our membership rates steady while growing our services and content. To maintain this high standard of quality, we will be implementing our first rate adjustment in four years on November 1st, 2026, bringing the one-year membership to \$149 (with other tiers adjusted dynamically).

Secure Your Lower Rate Now:

You don't have to wait for your expiration date. You can extend your membership right now to beat the increase and protect your budget.

- By Phone: Contact the LEA office at 708-209-3343 to speak with a representative.
- Online: Click [HERE](#) to extend your membership instantly.

Group Savings Opportunity:

If your school is looking to save, remember that LEA provides a 10% discount when a full faculty renews together. Grab the team renewal form [HERE](#).

We are incredibly grateful for your partnership and look forward to serving you for many more years!

Google Classroom expanded access to the Gemini chatbot for all K-12 students, removing the previous age restriction that limited use to those 18 and older. Now, students can utilize Gemini for flashcards, quizzes, and assignments directly within the platform. The rollout applied to schools that had already enabled Gemini. This sudden expansion gave schools little time to adjust or establish usage guidelines, leaving many administrators and teachers scrambling to address the implications and decide on access policies. But with all the recent AI news, big questions remain about what age-appropriate AI use should look like. Teachers often experience the "October Blues," a period of low energy and focus shortly after the school year begins. First-year teachers are especially vulnerable, as they may not know about this common phenomenon. The ["October Blues" Are Coming. Here's How Teachers Can Beat Them](#) suggests maintaining small, sustainable habits like regular exercise and healthy eating to manage the slump. (Mike Anderson in *EdSurge*)

Develop your God-given talents and advance your career through classes at Concordia University Nebraska. LEA is a preferred partner with CUNE, so members are eligible for reduced tuition rates. Find more information [HERE](#).
