

MIDDLE SCHOOL

MINISTRY RESOURCES

October 8, 2026

For Participants in LEA's Middle School Educators Network

Over the past four years, we have held our membership rates steady while growing our services and content. To maintain this high standard of quality, we will be implementing our first rate adjustment in four years on November 1st, 2026, bringing the one-year membership to \$149 (with other tiers adjusted dynamically).

Secure Your Lower Rate Now:

You don't have to wait for your expiration date. You can extend your membership right now to beat the increase and protect your budget.

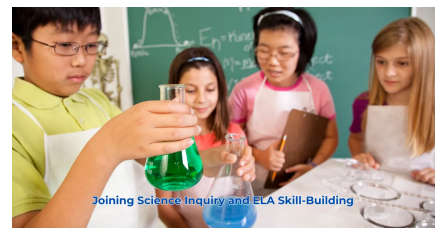

- By Phone: Contact the LEA office at 708-209-3343 to speak with a representative.
- Online: Click [HERE](#) to extend your membership instantly.

Group Savings Opportunity:

If your school is looking to save, remember that LEA provides a 10% discount when a full faculty renews together. Grab the team renewal form [HERE](#).

We are incredibly grateful for your partnership and look forward to serving you for many more years!

An interdisciplinary unit that connects science inquiry and English Language Arts objectives can help middle schoolers make sense of extreme weather and climate change while building essential literacy and research skills. Learn more at [Joining Science Inquiry and ELA Skill-Building](#). (Michele Haiken in *Middle Web*)

If you have implemented math workshop in your classroom, you know the importance of having engaging, easy-prep centers for your students. Math games are an integral part of classrooms and help create a "math is fun" attitude in students. If they are reusable activities... even better! See [4 Effective Games for Middle School Math Workshop](#) that can be used in any classroom setting. (*Middle School Math Man*)

Develop your God-given talents and advance your career through classes at Concordia University Nebraska. LEA is a preferred partner with CUNE, so members are eligible for reduced tuition rates. Find more information [HERE](#).
