

MIDDLE SCHOOL

MINISTRY RESOURCES

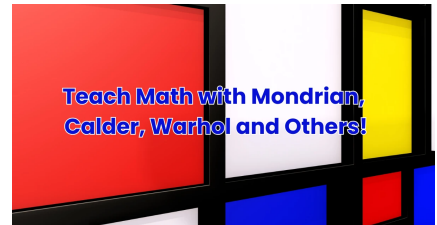

October 22, 2026

For Participants in LEA's Middle School Educators Network

To help us continue delivering the best possible resources and experiences, our membership rates will increase to \$149 per year (with other membership tiers adjusted accordingly) on November 1st. Current members can lock in the existing rate of \$144 per year by extending their membership before October 31st. You can lock in current rates by renewing or extending your membership online [HERE](#) or by phone by calling the LEA office at 708-209-3343. Schools can save 10% by renewing their entire faculty at the same time. You can access the required group renewal form [HERE](#).

Find some excellent ideas about how to teach math with art, allowing your students to learn about famous artists while using their math skills at [Teach Math with Mondrian, Calder, Warhol and Others!](#) (Erin Bittman in *We Are Teachers*)

Looking for resources while teaching about history? PBS has [U.S. History Inquiry Kits](#) that teach about life in the early American colonies through the modern-day role of the United States. The collection of 61 research starter kits aligns to related U.S. History curriculum units and examines various social studies themes. (*PBS Learning Media*)

Middle school is one of the most consequential stages of development. During these years, students are building the skills that shape how they make decisions, manage impulses, and regulate emotions. These abilities influence their learning, relationships, and long-term success—both in and out of school. How can you best help your students? Read [Understanding the Middle School Brain](#). (Responsive Classroom)

Looking for some simple, budget-friendly ideas to pack for lunches? Check out the ideas at [45 Real Teacher Lunches That Will Inspire You to Pack Your Own](#). (*We Are Teachers*)
